Engineered specifically for the HERO7 Black, HERO6 Black, HERO5 Black, and HERO (2018) Super Suit Housing (only fits those listed cameras when used with the Super Suit Housing)Ultimate 2-in-1 Red + Macro diving combo filterRed filter provides outstanding color correction in tropical waterMacro lens allows the camera to focus on close-up subjects (+15 diopter)Lifetime WarrantyThe PolarPro Switchblade has been reimagined, rebuilt, and re-mastered based on user feedback to make it the most valuable diving filter for the GoPro Hero6 / Hero5. The built in Red Filter provides excellent color correction in blue or tropical water from 15 to 75 feet deep. The Macro Lens has also been rebuilt with a new more powerful hinge allowing you to switch between macro and non-macro modes. The Macro Lens allows you to capture creative close-ups of underwater life. With a +15 diopter, the Macro shifts the focus distance of the GoPro Hero5 allowing it to focus up close and blur everything in the background, allowing you to capture new underwater perspectives. The Switchblade5 is backed by a lifetime warranty ensuring your underwater videos will stay epic.
