

XFX Quicksilver AMD Radeon RX 9070XT Gaming Edition with 16GB GDDR6 HDMI 3xDP, AMD RDNA 4 ( RX-97TQICKB9 )

Šifra: 134245  
Kategorija proizvoda: Grafičke kartice  
Proizvođač: XFX

Cena: 101.605,00 rsd.

|                                     |                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Requires Expansion Slot Standard:   | PCI Express 5.0                                                                                                                                                                                                                                                                                                                                                                                                              |
| Video Chipset:                      | AMD Radeon RX 9070XT                                                                                                                                                                                                                                                                                                                                                                                                         |
| GPU Core Name:                      | Navi 48 XL                                                                                                                                                                                                                                                                                                                                                                                                                   |
| GPU Core Speed:                     | 1660 MHz                                                                                                                                                                                                                                                                                                                                                                                                                     |
| GPU Core Speed Boost:               | 2970 MHz                                                                                                                                                                                                                                                                                                                                                                                                                     |

|                                 |                   |
|---------------------------------|-------------------|
| Capacity:                       | 1 x 16 GB         |
| Video Memory Speed:             | 20 Gbps           |
| Memory Bus Bandwidth:           | 1 x 256 bit       |
| Memory Bandwidth:               | 1 x 640 GBs       |
| HDMI Interface Quantity:        | 1                 |
| HDMI Interface Connector Type:  | HDMI (Type A)     |
| DisplayPort Interface Quantity: | 3                 |
| External Power:                 | 3 x 8 pin         |
| PSU Output Power Required:      | 800 W             |
| Cooling System Type:            | VGA Cooler        |
| Card Slot Width:                | 3.5 slot          |
| Included Accessories:           | Quick Start Guide |
