| Audio System Type:                         | Headset                                     |
| Destination:                               | PC Multimedia                               |
| Connectivity Technology:                   | Wired and Wireless                          |
| Wireless Technology:                       | Bluetooth                                   |
| Form Factor:                               | Full Size (over-ear)                        |
| Driver Diameter:                           | 28 mm                                       |
| Mount Type:                                | Head-band                                   |
| Audio Output Mode:                         | Mono  |
| Frequency Response:                        | 20Hz-20kHz                                  |
| Microphone Form Factor:                    | External                                    |
| Microphone Sensitivity:                    | -38 dB                                      |
| Microphone Frequency Response:             | 100Hz - 6.3kHz                              |
| Networking Type:                           | Bluetooth Adapter                           |
| Networking Form Factor:                    | Integrated                                  |
| Networking Compliant Standards:            | Bluetooth 5.2<br>A2DP<br>AVRCP<br>HFP       |
| Bluetooth® Profiles Supported:             | HSP   |
| Power Device Location:                     | External                                    |
| Power Port Quantity:                       | 1   |
| Power Port Connector Type:                 | USB-C                                       |
| Battery Technology:                        | Lithium Ion                                 |
| Battery Average Run Time:                  | 18 hr                                       |
| Features:                                  | Active Noise Cancellation                   |
| Cable Length:                              | 1.2 m                                       |
| Built-in Devices:                          | LED Indicator                               |
| External Color:                            | Black<br>Quick Start Guide<br>Warranty Card |
| Included Accessories:                      | Adapter                                     |
| Cable Included:                            | USB Cable                                   |
| Maximum Operating Ambient Temperature:     | 45 °C                                       |
| Minimum Operating Ambient Temperature:     | -5 °C                                       |
| Maximum Non-Operating Ambient Temperature: | 55 °C                                       |
