

## AMD CPU Desktop Ryzen Threadripper PRO 9955WX (

AMD CPU Desktop Ryzen Threadripper PRO  
9955WX  
(16C32T,4.5GHz5.4GHz,80MB,350W,sTR5) box (100-100000725WOF )

Šifra: 148733  
Kategorija proizvoda: Procesori  
Proizvođač: AMD

Cena: **211.983,00** rsd.

|                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
