# SVGA INNO3D GeForce RTX3080 X3 10GB

Šifra: 51954

Kategorija proizvoda: Grafičke kartice

Proizvođač: INNO3D

**Cena: 113.271 rsd.**

| <b>GPU Engine Specs:</b>             |                               |
|--------------------------------------|-------------------------------|
| CUDA Cores                           | 8704                          |
| Boost Clock (MHz)                    | 1710                          |
| Base Clock(MHz)                      | 1440                          |
| <b>Thermal and Power Spec:</b>       |                               |
| Minimum System Power Requirement (W) | 750                           |
| Supplementary Power Connectors       | 8+8-pin                       |
| <b>Memory Specs:</b>                 |                               |
| Memory Clock                         | 19Gbps                        |
| Standard Memory Config               | 10GB                          |
| Memory Interface                     | GDDR6X                        |
| Memory Interface Width               | 320-bit                       |
| Memory Bandwidth (GB/sec)            | 760                           |
| <b>Feature Support:</b>              |                               |
| Real-Time Ray Tracing                | Yes                           |
| Ray Tracing Cores                    | 2nd Generation                |
| Tensor Cores                         | 3rd Generation                |
| NVIDIA Architecture                  | Ampere                        |
| Microsoft DirectX                    | 12 Ultimate                   |
| NVIDIA DLSS                          | Yes                           |
| PCI Express Gen 4                    | Yes                           |
| NVIDIA GeForce Experience            | Yes                           |
| NVIDIA Ansel                         | Yes                           |
| NVIDIA FreeStyle                     | Yes                           |
| Bus Support                          | PCI-E 4.0 X16                 |
| NVIDIA ShadowPlay                    | Yes                           |
| NVIDIA Highlights                    | Yes                           |
| OS Certification                     | Windows 10, Linux, FreeBSDx86 |
| NVIDIA G-SYNC™ -Ready                | Yes                           |

**GPU Engine Specs:****Thermal and Power Spec:****Memory Specs:****Feature Support:****Accessories:****Graphics Card Dimensions:****Display Support:**

|                       |  |
|-----------------------|--|
| Game Ready Drivers    | Yes  |
| NVIDIA Studio Drivers | Yes  |
| NVIDIA GPU Boost™     | Yes  |
| Vulkan API            | Yes  |
| OpenGL                | 4.6  |
| HDMI 2.1              | Yes  |
| DisplayPort 1.4a      | Yes  |
| NVIDIA Encoder        | 7th Generation                               |
| NVIDIA Decoder        | 5th Generation                               |
| LHR                   | This GeForce RTX 3080 graphics card with LHR |

**Accessories:**

|                    |     |
|--------------------|-----|
| Installation Guide | Yes |
| Power Guide        | Yes |

**Graphics Card Dimensions:**

|        |        |
|--------|--------|
| Length | 300mm  |
| Height | 112mm  |
| Width  | 2-slot |

**Display Support:**

|                             |                               |
|-----------------------------|-------------------------------|
| Multi Monitor               | Yes                           |
| Maxmium Digital Resolution  | 7680x4320                     |
| HDCP                        | 2.3                           |
| Standard Display Connectors | HDMI 2.1, 3x DisplayPort 1.4a |
