

## Mercusys MW325R v3,WiFi4 300Mbps Enhanced Wireless N Router, 4 x 5dbi

Šifra: 75461  
Kategorija proizvoda: Ruteri  
Proizvođač: MERCUSYS

Cena: **1.869,00** rsd.

|                           |                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
| WiFi frekvencija:         | 2.4 GHz                                                                                                                  |
| Vrsta antene:             | Eksterna                                                                                                                 |
| Vrsta LAN Portova (Mbit): | 100                                                                                                                      |
| Broj LAN Portova:         | 3                                                                                                                        |
| Izmenjiva antena:         | Ne                                                                                                                       |
| Radna temperatura:        | 00C ~ 400C                                                                                                               |
| Napajanje:                | 5VDC/0.6A                                                                                                                |
| Broj antena:              | 4 x 5dBi fixed omni directional antennas                                                                                 |
| Dimenzije:                | 167 x 118 x 33 mm                                                                                                        |
| WiFi brzina:              | 11n Up to 300Mbps (Dynamic)<br>11g Up to 54Mbps (Dynamic)<br>11b Up to 11Mbps (Dynamic)                                  |
