

Firma: G Store & Repair doo  
Adresa: Bul.Mihajla Pupina 10z/3  
Telefon: 011 785 66 66  
Fax:  
PIB: 112029009  
E-mail: [office@gstore.rs](mailto:office@gstore.rs)

---

Supermicro SuperServer SYS-1027R-WC1R, Intel C602J Chipset, SATA, SAS-3, WIO, IPMI, Redundant PSU - Black ( SYS-1027R-WC1R )

---

Šifra: 84095

Kategorija proizvoda: Serveri

Proizvođač: SUPERMIKRO

**Cena: 232.974 rsd.**

|                                                        |                                                                              |
|--------------------------------------------------------|------------------------------------------------------------------------------|
| System Type:                                           | Server Barebone                                                              |
| System Form Factor:                                    | 1U Rackmount                                                                 |
| Chipset:                                               | Intel C602J                                                                  |
| Memory Type:                                           | DDR3 SDRAM                                                                   |
| Memory Form Factor:                                    | DIMM 240-pin                                                                 |
| Memory Speed:                                          | 1866MHz(PC3-15000)                                                           |
| Provides Error Checking Method:                        | ECC                                                                          |
| Maximum Installable System<br>Memory Storage Capacity: | 1 TB                                                                         |
| Memory Slot Total Quantity:                            | 16                                                                           |
| Storage Controller Form Factor:                        | integrated<br>SATA<br>SAS                                                    |
| Storage Controller Type:                               | SATA III<br>Level 0<br>Level 1<br>Level 5<br>Level 50<br>Level 6<br>Level 10 |
| Supports RAID Level:                                   | Level 60                                                                     |
| Video Chipset:                                         | Matrox G200                                                                  |
| Networking Form Factor:                                | Integrated                                                                   |
| LAN Chipset:                                           | Intel i350<br>Gigabit EthernetFast                                           |
| Data Link Protocol Supports:                           | EthernetEthernet                                                             |
| PCI Express 3.0 x16 Slot<br>Quantity:                  | 2                                                                            |
| LAN Interface Quantity:                                | 2                                                                            |
| Serial Interface Quantity:                             | 1                                                                            |
| USB 2.0 Interface Quantity:                            | 6                                                                            |
| VGA Interface Quantity:                                | 1                                                                            |
| SATA III Interface Quantity:                           | 2                                                                            |
| SAS Interface Quantity:                                | 8                                                                            |
| Power Device Type:                                     | Power Supply - redundant                                                     |
| Power Device Location:                                 | Internal                                                                     |
| Maximum Fans Supported<br>Quantity:                    | 6 count                                                                      |
| Package Type:                                          | Box                                                                          |
| External Color:                                        | Black                                                                        |
| Standard Rack Height:                                  | 1 U                                                                          |
| Maximum Operating Ambient<br>Temperature:              | 35 °C                                                                        |
